

2017 Good Life Games Basketball Roster and Registration Form

The maximum number of names allowed on the roster for the 2017 games is 7, but you will only list the actual players. Do not list coaches or trainers unless they are also players. We will use ten-year age groups for our 3 on 3 competition, 50-59, 60-69, 70+. Team registration fee is \$48.00. Any player registered with a 3-on-3 team will be allowed to enter our morning shooting events without further charge beyond the regular team registration fee. Plan to participate in the morning shooting and treat it as a warm-up session for the afternoon games and you may also win a medal and establish some bragging rights for your shooting skills. All team members will be required to sign the Good Life Games Waiver on game day. We need this additional information for data input for state.

Please **PRINT LEGIBLY** or type. I must be able to read it to enter it in the data base.
