

Washer Toss

Singles/Doubles/Mixed Doubles

Locations: Highland Recreation Center **Event Director:** Walt Deal 441- 9463

Washer Toss is a Florida Sports Foundation Sanctioned Event.

Format: Singles, Doubles (Men and Women), Mixed Doubles

Competition will be among 10-year age groups. The throwing distance for the event will be 15 feet between the centers of the 4-inch holes that are centered on the 15-inch playing surfaces. The team-age for the Doubles and Mixed Doubles will be based on the age of the younger player.

1. We will use rally scoring for all games.
2. Games will consist of 25 points. Tie breaker will be one round of four washers. May repeat until tie is broken.
3. Round Robin format is planned but the Event Director reserves the right to modify format based on number of tournament entries.
4. If Single and Double Elimination Format is used:
 - A. Preliminary matches will consist of a single game to 25 points.
 - B. Semi-finals and Finals will consist of two best of three games to 25 points. The third game, if needed, will be to 15 points. By consent of both players or both teams, the match may consist of a single game.

Sport and scoring Rules:

1. At the start of each match, home position will be determined by the toss of a single washer; the washer on the board closer to the hole takes home position.
2. The home position player has the choice of the color of the washers, original side of court, and order of throw. Home position will change for the second game.
3. Home position for the third game will be determined by another washer toss.
4. All scoring question will be resolved by both players; if agreement is not reached, the Event Director will make the decision.
5. You must remain standing on the carpet until the washer leaves your hand.
6. To score one point the washer must be touching the 15-inch surface (flat on the surface or leaning against a wall). A washer in the hole scores three points.
6. The player, or team, throwing first will continue throwing first until the other player, or team, has a higher score for the round of four washers.
